Re: Request for extension on correcting violations at 35 Saunders St.

I am requesting a 6 month extension on correcting the violations found during the 1/19 inspection of my property at 35 Saunders St. I have recently been diagnosed with cancer, and will be having surgery on 2/12, which will be followed by radiation and/or chemo therapy. Enclosed is a letter from my medical provider documenting the need for this extension.

If you need further information or documentation, my phone numbers are 774-7058 (home) or 661-6552 where I work part time in the afternoon prior to surgery.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Pearson". The signature is written in black ink and is positioned above the typed name.

Barbara Pearson, Ed.D.
