1. The permit application doesn't preclude the Applicant(s) from meeting applicable State and Federal rules.
2. Building permits do not include plumbing, septic or electrical work.
3. Building permits are void if work is not started within six (6) months of the date of issuance. False information may invalidate a building permit and stop all work.

CERTIFICATION

I hereby certify that I am the owner of record of the named property, or that the proposed work is authorized by the owner of record and I am authorized by the owner to make this application as his authorized agent and I agree to conform to all applicable laws of this jurisdiction. If a permit for work described in the application issued, I certify that the code official's authorized representative shall have the authority to enforce the provisions of the code(s) applicable to such permit.
