Good morning, Mike!

Thank you for your e-mail!

In order to process your application, we will need the following:

1. Please contact the Treasury Department at 874-8491 to pay the unpaid taxes due to the City for 2017;
2. Complete and return the attached One- and Two-Family Addition/Alteration Checklist, Building Permit Application, and Electronic Signature form; and
3. Provide us with a simple plot plan (see example attached) that shows where on the property the garage is located.

Once we receive that information -- and get confirmation from you that the taxes have been paid -- we'll enter your application into our system.

Thanks,
Sarah

Sarah,

According to Stacy at Treasury. My only outstanding bill was for storm water. I have paid that in full and attached the receipt.

Thank in advance for your expeditious handling of my permit.

Regards,

Michael Johnson
