CONDITION(S) OF APPROVAL
This permit is being issued with the understanding that the following conditions shall be met: $\frac{1}{1}$

This permit does not excuse the applicant from meeting applicable State and Federal rules and laws.

 Before concrete for foundation is placed, approvals from the Development Review Coordinator and Inspection Services must be obtained. (A 24 hour notice is required prior to inspection) "ALL LOT LINES SHALL BE CLEARLY MARKED BEFORE CALLING."

- 3. Foundation drain shall be placed around the perimeter of a foundation that consists of gravel or crushed stone containing not more than 10 percent material that passes through a No. 4 sieve. The drain shall extend a minimum of 12 inches beyond the outside edge of the footing. The thickness shall be such that the bottom of the drain is not less than 6 inches above the top of the footing. The top of the drain shall be covered with an approved filter membrane material. Where a drain tile or perforated pipe is used, the invert of the pipe or tile shall not be higher than the floor elevation. The top of joints or top of perforations shall be protected with an approved filter membrane material. The pipe or tile shall be placed on not less than 2" of gravel or crushed stone, and shall be covered with not less than 6" of the same material. Section 1813.5.2
- 4. Foundations anchors shall be a minimum of 1/2" in diameter, 7" into the foundation wall, minimum of 12" from corners of foundation and a maximum 6' O.C. between bolts. Section 2305.17

5. Waterproofing and dampproofing shall be done in accordance with Section 1813.0 of the building code.

- 6. Precaution must be taken to protect concrete and masonry. Concrete Sections 1908.9-19.8.10/ Masonry Sections 2111.3-2111.4.
- 7. It is strongly recommended that a registered land surveyor check all foundation forms before concrete is placed. This is done to verify that the proper setbacks are maintained.
- 8. Private garages located beneath habitable rooms in occupancies in Use Group R-1, R-2, R-3 or I-1 shall be separated from adjacent interior spaces by fire partitions and floor/ceiling assembly which are constructed with not less than 1-hour fire resisting rating. Private garages attached side-by-side to rooms in the above occupancies shall be completely separated from the interior spaces and the attic area by means of ½ inch gypsum board or the equivalent applied to the garage side. (Chapter 4, Section 407.0 of the BOCA/1999)
- 9. All chimneys and vents shall be installed and maintained as per Chapter 12 of the City's Mechanical Code. (The BOCA National Mechanical Code/1993). Chapter 12 & NFPA 211
- 10. Sound transmission control in residential building shall be done in accordance with Chapter 12, Section 1214.0 of the City's Building Code.
- Guardrails & Handrails: A guardrail system is a system of building components located near the open sides of elevated walking surfaces for the purpose of minimizing the possibility of an accidental fall from the walking surface to the lower level. Minimum height all Use Groups 42". In occupancies in Use Group A, B.H-4, I-1, I-2, M, R, public garages and open parking structures, open guards shall have balusters or be of solid material such that a sphere with a diameter of 4" cannot pass through any opening. Guards shall not have an ornamental pattern that would provide a ladder effect. Handrails shall be a minimum of 34" but not more than 38". Exception: Handrails that form part of a guard shall have a height not less than 36 inches (914 mm) and not more than 42 inches (1067 mm). Handrail grip size shall have a circular cross section with an outside diameter of at least 1 ¼" and not greater than 2". (Sections 1021 & 1022.0). Handrails shall be on both sides of stairway. (Section 1014.7)
 - 12. Headroom in habitable space is a minimum of 7'6'. (Section 1204.0)
 - 13. Stair construction in <u>Use Group R-3 & R-4 is a minimum of 10" tread and 7 %" maximum rise</u>. All other Use Group minimum 11" tread, 7" maximum rise. (Section 1014.0)
 - 14. The minimum headroom in all parts of a stairway shall not be less than 80 inches. (6'8") 1014.4
 - 15. The Minimum required width of a corridor shall be determined by the most restrictive of the criteria under section 1011.3 but not less then 36".
- Every sleeping room below the fourth story in buildings of Use Groups R and I-1 shall have at least one operable window or exterior door approved for emergency egress or rescue. The units must be operable from the inside without the use of special knowledge or separate tools. Where windows are provided as means of egress or rescue they shall have a sill height not more than 44 inches (1118mm) above the floor. All egress or rescue windows from sleeping rooms shall have a minimum net clear opening height dimension of 24 inches (610mm). The minimum net clear opening width dimension shall be 20 inches (508)mm, and a minimum net clear opening of 5.7 sq. ft. (Section 1010.4)

17. Each apartment shall have access to two (2) separate, remote and approved means of egress. A single exit is acceptable when it exits directly from the apartment to the building exterior with no communications to other apartment units. (Section 1010.1)

8. All vertical openings shall be enclosed with construction having a fire rating of at least one (1) hour, including fire doors with self closure's. (Over 3 stories in height requirements for fire rating is two (2) hours. (Section 710.0)

19. The boiler shall be protected by enclosing with (1) hour fire rated construction including fire doors and ceiling, or by providing automatic extinguishment. (Table 302.1.1)

AIT

20. All single and multiple station smoke detectors shall be of an approved type and shall be installed in accordance with the provisions of the City's Building Code Chapter 9, Section 920.3.2 (BOCA National Building Code/1999), and NFPA 101 Chapter 18 & 19. (Smoke detectors shall be installed and maintained at the following locations): In the immediate vicinity of bedrooms In all bedrooms In each story within a dwelling unit, including basements 21. A portable fire extinguisher shall be located as per NFPA #10. They shall bear the label of an approved agency and be of an approved type. (Section 921.0) 22. The Fire Alarm System shall be installed and maintained to NFPA #72 Standard. The Sprinkler System shall be installed and maintained to NFPA #13 Standard. -24. All exit signs, lights and means of egress lighting shall be done in accordance with Chapter 10 Section & Subsections 1023.0 & 1024.0 of the City's Building Code. (The BOCA National Building Code/1999) 25. Section 25 – 135 of the Municipal Code for the City of Portland states, "No person or utility shall be granted a permit to excavate or open any street or sidewalk from the time of November 15 of each year to April 15 of the following year". 26. The builder of a facility to which Section 4594-C of the Maine State Human Rights Act Title 5 MRSA refers, shall obtain a certification from a design professional that the plans commencing construction of the facility, the builder shall submit the certification the Division of Inspection 27. Ventilation and access shall meet the requirements of Chapter 12 Sections 1210.0 and 1211.0 of the City's Building Code. (Crawl spaces & attics). 28. All electrical, plumbing and HVAC permits must be obtained by Master Licensed holders of their trade. No closing in of walls until all electrical (min. 72 hours notice) and plumbing inspections have been done. 29. All requirements must be met before a final Certificate of Occupancy is issued. 30. All building elements shall meet the fastening schedule as per Table 2305.2 of the City's Building Code (The BOCA National Building Code/1996). X31. Ventilation of spaces within a building shall be done in accordance with the City's Mechanical code (The BOCA National Mechanical Code/1993). (Chapter M-16) 32. Please read and implement the attached Land Use Zoning report requirements. 33. Boring, cutting and notching shall be done in accordance with Sections 2305.3, 2305.3.1, 2305.4.4 and 2305.5.1 of the City's Building Code. 34. Bridging shall comply with Section 2305.16. 35. Glass and glazing shall meet the requirements of Chapter 24 of the building code. (Safety Glazing Section 2406.0) 36. All flashing shall comply with Section 1406.3.10. 37. All signage shall be done in accordance with Section 3102.0 signs of the City's Building Code, (The BOCA National Building Code/1999).

RE: 166 Pleasant Avenue – R-5-zone – 132-I-002

Dear Mr. & Mrs. Walker,

I am in receipt of your application for a condominium conversion. However, before I can issue this permit, I will need a copy of the notice that you sent your tenants. I do have the list of tenants that you supplied with your application. I will also need to know how you determined who was eligible or not eligible for relocation benefits. As soon as I receive these items from you, I can sign off from a zoning standpoint. If you wish to fax me this information, my fax number is 874-8716. Your permit will be on hold until I receive this information.

If you have any questions regarding this matter, please do not hesitate to contact me at 874-8695.

Very truly yours

Marge Schmuckal

Zoning Administrator

File

por Walker is polonger The owner Joe Tacka 166 Pleasant Avenue LLC 322 Spring Street Portland, ME 04102

Cheryl Benton 166 Pleasant Ave. Unit 1 Portland, ME 04103

March 1, 2001

Dear Cheryl,

This letter will serve as notice to you of our intent to convert our property at 166 Pleasant Avenue in Portland, ME from rental units to condominium units. In doing this we are required to follow the City of Portland's land use ordinance Article VII. on Condominium Conversion. The following information spells out the guidelines for the "Protection of tenants" as described in Sec. 14-568 and Sec. 14-569:

The developer shall give to each existing tenant written notice of intent to convert at least 120 days before the tenant is required by the developer to vacate. If a tenant has been in possession of any unit within the same building for more than four consecutive years, the notice shall be increased by 30 additional days for each additional year, or fraction thereof, to a maximum of 240 additional days. The notice shall set forth the rights under these sections and contain the following statement: "If you do not buy your apartment, the developer of this project is required by law to assist you in finding another place to live and in determining your eligibility for relocation payments. If you have questions about your rights under the law, or complaints about the way you have been treated by the developer, you may contact the Building Inspection Division, Department of Planning and Urban Development, City of Portland, 389 Congress Street, Portland, Maine 04101 (telephone: 775-5451)."

No tenant may be required by a developer to vacate without having been given notice as required herein, except for reasons specified in the applicable law of forcible entry and detainer, and in accordance with the procedures thereof. The terms of tenancy, including rent, may not be altered during the notice period, except as expressly provided in a preexisting written lease. If, within 120 days after a tenant is required by a developer to vacate, the developer records a declaration of condominium without having given notice as required herein, the developer shall be presumed to have converted in violation of this article.

Option to Purchase. For a sixty-day period following the giving of notice as required by this ordinance, the developer shall grant to the tenant an exclusive and irrevocable option to purchase their unit. This option may not be assigned. If the tenant does not purchase or contract to purchase their unit during the sixty day option period, the developer may not convey or offer to convey the unit to any other person during the following 180 days at a price or on terms more

favorable than the price or terms previously offered to the tenant, unless the more favorable price or terms are first offered exclusively and irrevocably to the tenant for an additional 60 day period. Relocation Payments -- If the tenant does not purchase the unit, the developer shall, before the tenant is required by the developer to vacate, make a cash payment to the tenant in an amount equal to the amount of rent paid by the tenant for the immediately preceding two months, provided that this requirement shall not apply to any tenant whose gross income exceeds 80% of the median income of the Portland SMSA, adjusted for family size, as determined by the U.S. Dept. of Housing and Urban Development at the time the notice is given as required in Section 14-568(a). Additionally, the developer shall, upon demand, provide assistance to the tenant in the form of referrals to other reasonable accommodations and in determining the tenants eligibility for relocation payments as provided herein.

80% Median Income of Portland SMSA guideline:

l Person	2 Person	3 Person		
\$27,450	\$31,350	\$36,300		

When we offer the units in your building for sale to the public, our asking price for your unit-#1 will be \$279,000. We are offering the existing tenants a discount from the price to the public and we will sell you your unit for \$255,000. We will be listing the units for sale with a real estate broker, Ed Gardner from Coldwell Banker Harnden Beecher Real Estate, and if you are interested in discussing financing arrangements or any other purchase details with him, we will arrange for a meeting with him.

Our plan at this time is to begin in early May (after the 60 day purchase option period is up) to having public showings of two or three units (showings to be with a minimum 24 hour notice). If your unit becomes under contract to be purchased, we will give you a minimum of 30 days notice to vacate from the first day of a month. If you decide not to purchase your unit, we will expect a 30 day notice (from the first day of the month) before your vacating.

We realize you will have may questions and concerns about this process. Please feel free to talk with me about them and we will do whatever we can to answer them.

If you do not plan to accept your option to purchase your unit as described herein, please sign the attached addendum

Sincerely.

Tenant acknowledgment of receipt of notice,

se Tacka Signed head Abuth Bated 3-1-2001

166 Pleasant Ave LLC C/o Joseph Tacka 322 Spring St Portland, ME 04102

RE: 166 Pleasant Avenue – R-5 zone – 132-I-002

Dear Mr. Tacka,

I am in receipt of your application for a condominium conversion. However, before I can issue this permit, I will need a copy of the notice that you sent your tenants. I do have the list of tenants that you supplied with your application. I will also need to know how you determined who was eligible or not eligible for relocation benefits. As soon as I receive these items from you, I can sign off from a zoning standpoint. If you wish to fax me this information, my fax number is 874-8716. Your permit will be on hold until I receive this information.

If you have any questions regarding this matter, please do not hesitate to contact me at 874-8695.

Very truly yours,

Marge Schmuckal

Zoning Administrator
