Tammy Munson Director, Inspections Division

Electronic Signature and Fee Payment Confirmation

Notice: Your electronic signature is considered a legal signature per state law.

By digitally signing the attached document(s), you are signifying your understanding this is a legal document and your electronic signature is considered a *legal signature* per Maine state law. You are also signifying your intent on paying your fees by the opportunities below.

I, the undersigned, intend and acknowledge that no permit application can be reviewed until payment of appropriate permit fees are *paid in full* to the Inspections Office, City of Portland Maine by method noted below:

Within 24-48 hours, upon receipt of an e-mailed invoice from Building Inspections, which signifies that my electronic permit application and corresponding paperwork have been received, determined complete, entered by an administrative representative, and assigned a permit number, I then have the following four (4) payment options:

🗖 to provide an on-line electronic check or credit/debit card (we now accept American Express, Discover, VISA)

and MasterCard) payment (along with applicable	•	, 2014),	, ,,,,
all the Inspections Office at (207) 874-8703 credit/debit card payment over the phone,	3 and speak to an ε	administrative representative to prov	vide a
hand-deliver a payment method to the Inspection	ns Office, Room 315,	Portland City Hall,	
or deliver a payment method through the U.S. Po	ostal Service, at the fol	llowing address:	
Inspec 389 Congre	y of Portland ctions Division ess Street, Room 315 nd, Maine 04101		
Once my payment has been received, this then starts the and completed, I will then be issued my permit via e-ma			
Applicant Signature:		Date: 3/9/15	
I have provided digital copies and sent them on:	EMIL	Date: 3/9/15	

NOTE: All electronic paperwork must be delivered to <u>buildinginspections@portlandmaine.gov</u> or by physical means ie; a thumb drive or CD to the office.

Commercial Interior & Change of Use Permit Application Checklist

All of the following information is required and must be submitted. Checking off each item as you prepare your application package will ensure your package is complete and will help to expedite the permitting process.

One (1) complete set of construction drawings must include:

Note: Construction documents for costs in excess of \$50,000.00 must be prepared by a Design Professional and bear their seal.
Cross sections w/framing details Detail of any new walls or permanent partitions Floor plans and elevations Window and door schedules Complete electrical and plumbing layout. Mechanical drawings for any specialized equipment such as furnaces, chimneys, gas equipment, HVAC equipment or other types of work that may require special review Insulation R-factors of walls, ceilings, floors & U-factors of windows as per the IEEC 2009 Proof of ownership is required if it is inconsistent with the assessors records. Reduced plans or electronic files in PDF format are required. Per State Fire Marshall, all new bathrooms must be ADA compliant.
Separate permits are required for internal and external plumbing, HVAC & electrical installations
For additions less than 500 sq. ft. or that does not affect parking or traffic, a site plan exemption should be filed including:
The shape and dimension of the lot, footprint of the existing and proposed structure and the distance from the actual property lines. Location and dimensions of parking areas and driveways, street spaces and building frontage. Dimensional floor plan of existing space and dimensional floor plan of proposed space.
A Minor Site Plan Review is required for any change of use between 5,000 and 10,000 sq. ft. (cumulatively within a 3-year period)

Fire Department requirements.

The	following shall be submitted on a separate sheet:
	Name, address and phone number of applicant and the project architect. Proposed use of structure (NFPA and IBC classification) Square footage of proposed structure (total and per story) Existing and proposed fire protection of structure. Separate plans shall be submitted for a) Suppression system b) Detection System (separate permit is required) A separate Life Safety Plan must include: a) Fire resistance ratings of all means of egress
	b) Travel distance from most remote point to exit discharge
	c) Location of any required fire extinguishers
	d) Location of emergency lighting
	e) Location of exit signs
	f) NFPA 101 code summary
	Elevators shall be sized to fit an 80" x 24" stretcher.

For questions on Fire Department requirements call the Fire Prevention Officer at (207) 874-8405.

Please submit all of the information outlined in this application checklist. If the application is incomplete, the application may be refused.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information or to download copies of this form and other applications visit the Inspections Division on-line at www.portlandmaine.gov, or stop by the Inspections Division office, room 315 City Hall or call 874-8703.

Permit Fee: \$25.00 for the first \$1000.00 construction cost, \$11.00 per additional \$1000.00 cost

This is not a Permit; you may not commence any work until the Permit is issued.

General Building Permit Application

If you or the property owner owes real estate or personal property taxes or user charges on any property within the City, payment arrangements must be made before permits of any kind are accepted.
