

**62-64 Lawn Avenue - File Note**

**132-F-22**

For clarification of this property, our microfiche does show a permit in October 17, 1930 that shows that this property was changed from 1 unit to 2 units. That permit was issued. I have determined that these two units have continued to the present time. The present legal use is for TWO DWELLING UNITS.

A handwritten signature in black ink, appearing to read "Marge Schmuckal". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
