RE: Laura Lea Dermody
Homeport Loan Application
Loan Closing Date of
May 21, 1997.

Dear Mr. Tracy:

This letter is in response to your most recent request for me to draft out the plans of the dwelling on 57 Leland Street, Portland, ME 04103.

I hope that these copies will be sufficient. There is a layout of the dwelling as how it appears at this place in time and a layout as to how it shall appear after the second story kitchen is removed. It should resemble the layout the building inspector reported back to you on May 6, 1997. As you can see from the layout that there is only one front entry and one back entry.

When I put this dwelling under contract, the contract stated that the dwelling is a one family dwelling. I intend to keep the dwelling a one family. The second story kitchen located in the third bedroom will be returned to a bedroom within two months from closing. The sink shall be removed within two days after closing.

I want you to know beyond a shadow of a doubt that I will never change this small one family dwelling into a two family dwelling.

If you have any questions you can reach me at (207)-874-7349.

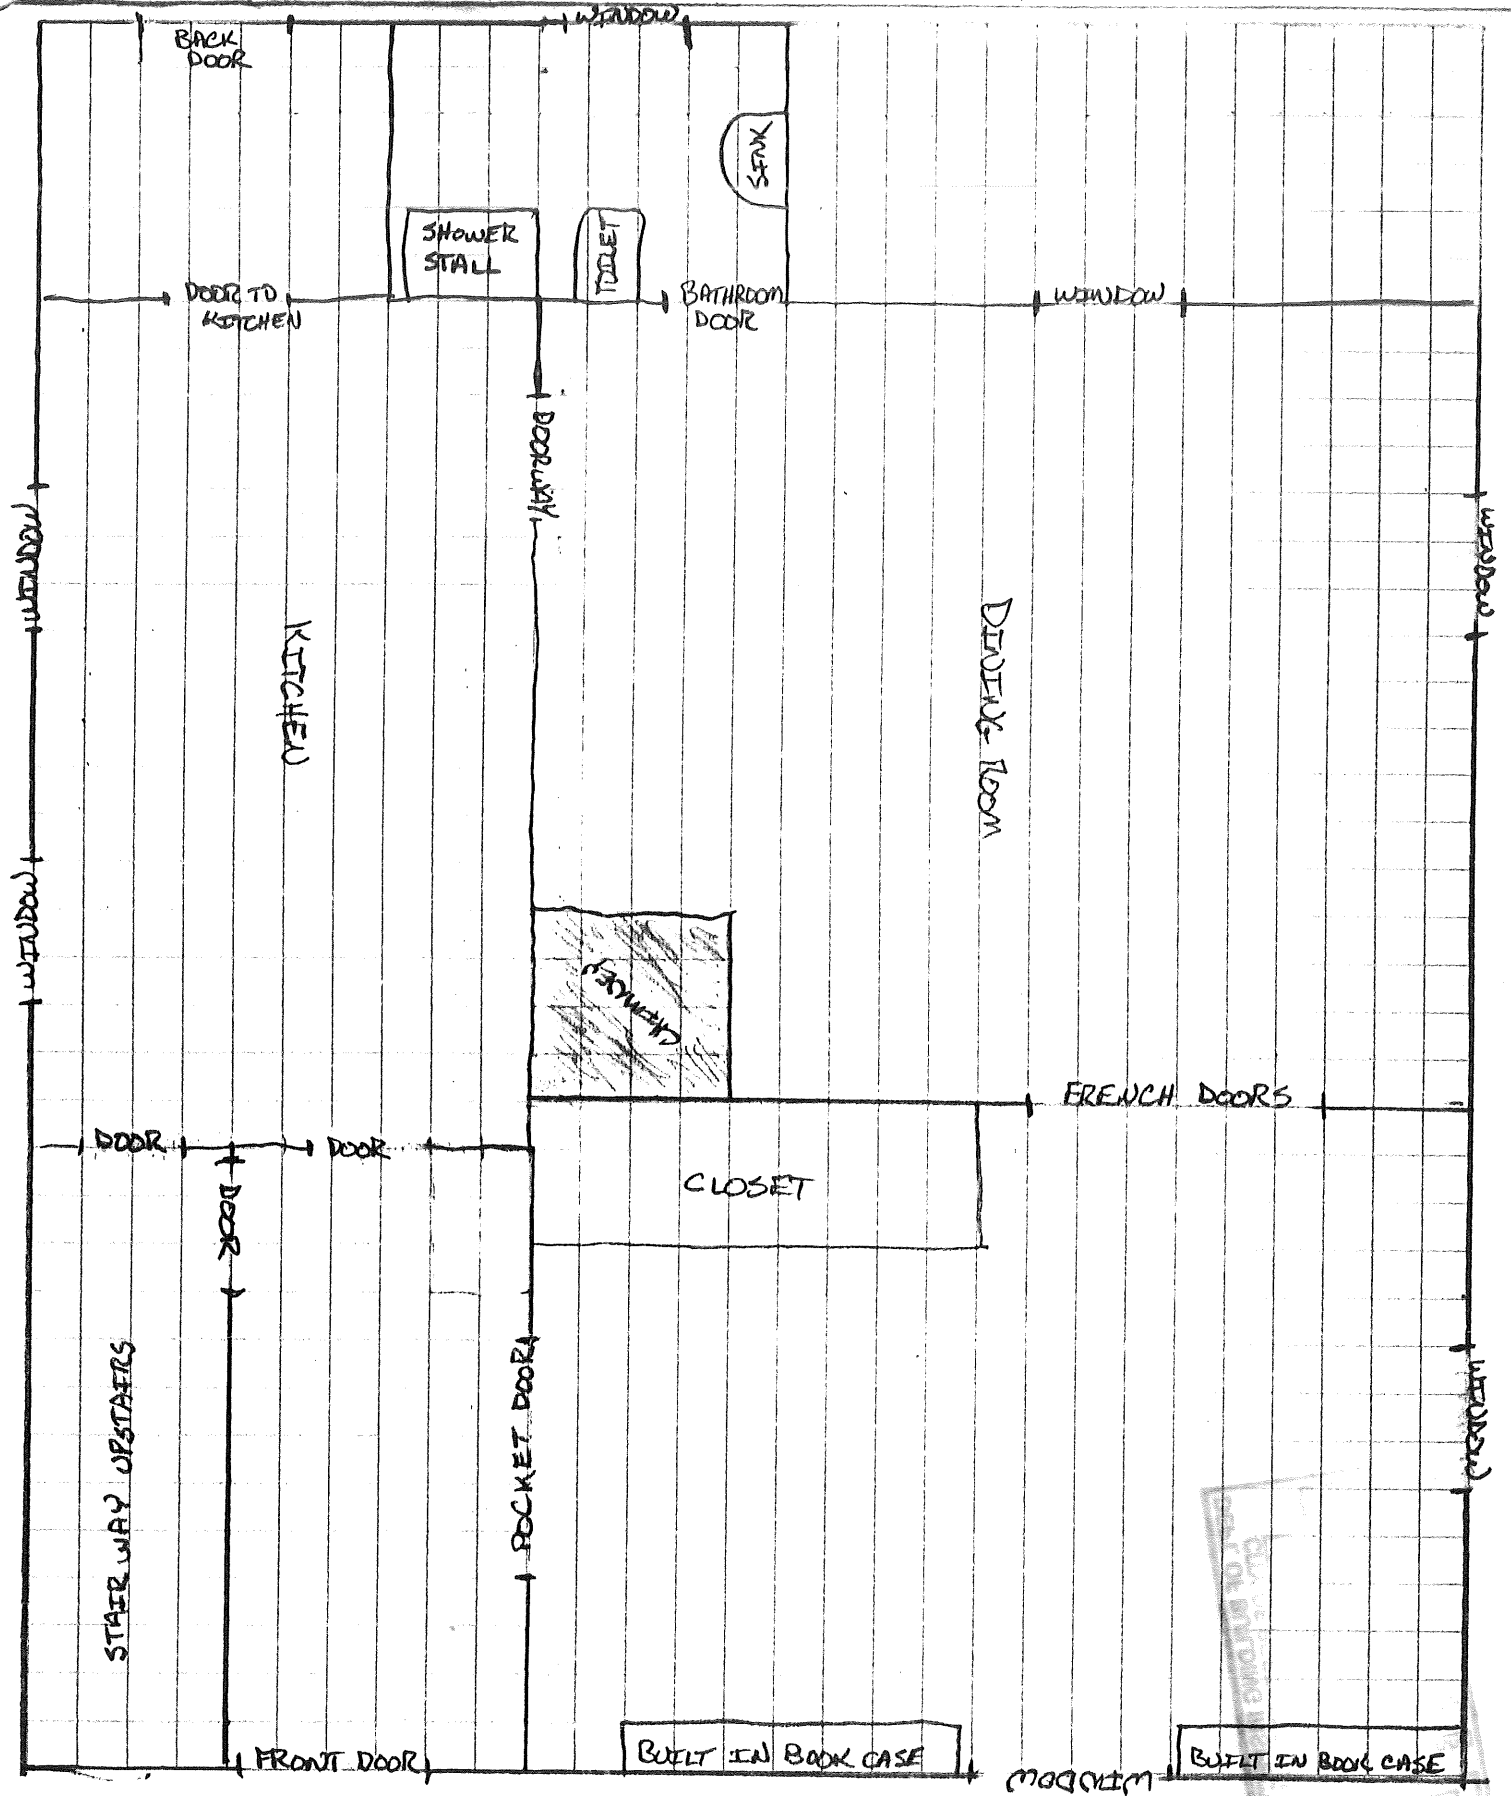

Laura Lea Dermody
