

12/5/17

Project: 502 Deering Center
Address: 502 Stevens Ave
RE: Canopy over front doors
To: Stephanie Hampton:

The canopy over the front door is a standard Home-Depot purchased product that is engineered to be sold and installed worldwide with the following features:

Frame - strong 3/16" aluminum plate brackets (3)

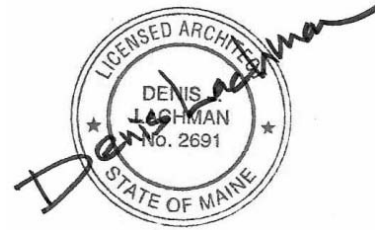

Frame Installation – 3" x 3/16" lag screws into 2x wood framing, (4) per frame

Total Weight - 31 lbs (very light)

Covering - clear sheet polycarbonate (Note not fabric and not glass).

Please let me know if you have any questions.

Denis Lachman

The screenshot shows the Home Depot website interface. At the top, there's a navigation bar with the Home Depot logo, location (Biddeford), a search bar, and links for My Account and Cart. Below the navigation bar, there are category links: All Departments, Shop by Room, DIY Projects & Ideas, Home Services, Specials & Offers, and Local Ad. The main content area displays the product 'Palram Aquila 2050 Awning (36 in. D x 6.9 in. H) in Grey/Clear'. It includes a star rating of 4.5 (8 reviews), a price of \$398.00 each, and a 'Product Overview' section. The product overview describes it as an elegant covering solution for wide and double doors. At the bottom of the product page, there are two options: 'Not in Your Store - We'll Ship It There' with an 'Add to Cart' button, and 'We'll Deliver It to You' with an 'Add to Cart' button. The quantity is set to 1.

Product Overview

Decorate your entryway with an elegant covering solution for wide and double doors. Clear polycarbonate panels and aluminum frame go with any home design. An easy assembly makes for an enjoyable way to protect your family from the bitter elements all year-round.

- Keep your entryways dry and free of snow / ice
- Virtually unbreakable polycarbonate panel, blocks 100% of the harmful UV rays
- Durable, laser cut, powder coated galvanized steel support arms and central arm assures high snow loading capacity
- Front Aluminum gutter & back hidden rubber gasket direct rainwater sideways
- Perfectly integrates with your home design and outdoor environment
- Easy DIY assembly kit - no special tools required
- Complete wall mounting kit included
- Add value to your home or property and create an Eco-friendly extension
- Designed and constructed with maintenance-free materials
- Assembled dimensions: 80.9" W x 36" D x 6.9" H
