Hi Alan,

I have a few comments prior to this being submitted to our office email, buildinginspections@portlandmaine.gov.

1. The application needs to be completely filled out, exempt are the 3 design sheets.
2. Indicate on the typical floor plan which bathrooms are being updated.
3. The pdf file 2015000010144 has 3 plans that need to be filed as separate pdfs. Please use a description for each plan file for what the information is.
4. The Fast Track pdf should be named as such.

Let me know if you have any questions.

Best,
Jeanie

Jeanie,

The A-1-2 Typical floor. All floors 2 thru 11 are the same lay out also the same #. The units that we are doing at this time are unit's #5 and #6 on every floor. This will allow us to change out the drain lines. Please feel free to contact me with any questions that you may have.
