JOYS CREPE CAFE-PENDING is Approved for their Business License Inspection by the Zoning Dept.

Date: 5/28/2015

Change of User Permit Required? No

Zone: B-2

Comments: 5/28/15 Spoke with Ms. Durrant about the GI installation and no plumbing permit. Licensed plumber Dave Kirby called and verified it was a direct replacement and that no new drainage or water lines were installed. He did reconnect the flow control relief as per specifications.

Also confirmed with Ms. Durrant that this will remain a retail take-out, no seats as there is no public bathroom available for customers.
