Thank you Lisa,
That is what I needed to know. I can sign off for zoning on this. Building will be reviewing next.

Hi Marge,

I just spoke to the homeowner and although they refer to it as an office, apparently it is a little 8x10 den/mudroom off the back of the house where her husband sits with his laptop at night. There is no business run out of the home. Sorry for the confusion. Let me know if you need any more information.

Thank you,

Lisa

Hi Lisa,

I am reviewing your application to install windows in an office at 66 Parsons Road. Can you explain the office use to me? I see no application for an "office" use at this residence. I can not sign off on this application without further explanation.

Thank you,
Marge Schmuckal
