Dear Ann

I am attaching the verified existing measurements on a plot plan, the verified measurements for Phase 2 and elevations. We have eliminated the garden shed and trellised carport to eliminate any set back issues. Please let me know if you need anything else from me. Thank you for your attention to our project.

S1 and S1\_1 are the site plans. A1\_3 and A1\_4 are the elevations. I suppose you could just send them all over....
