3) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that

2) This property shall remain a single family dwelling. Any change of use shall require a separate permit application for review and

1) This permit approves the bath house to be a minimum of 5' from the rear line, it is under 100 SF. The attached roof shelter is not

considered in the calculation based on Sec. 14-47 floor definition, so there is not setback for this structure.
