CITY OF PORTLAND, MAINE
IN THE BOARD OF APPEALS

MISCELLANEOUS APPEAL

Arthur Girard, owner of property at 999-1003 Forest Ave.
under the provisions of Section 24 of the Zoning Ordinance of the City of Portland,
heretofore respectfully petitions the Board of Appeals to permit: construction of a one-
story cinder block repair garage 75' x 40'. This permit is presently not issuable
under the Zoning Ordinance in the I-2 Industrial Zone in which this property is located
for the following reasons: (1) the rear yard is only 5 feet instead of 12 feet required
under Section 602.12c.4 of the Zoning Ordinance; (2) the side yards are only 5 feet
instead of 12 feet for each side yard required by Section 602.12c.1 of the Ordinance.

LEGAL BASIS OF APPEAL: Such permit may be granted only if the Board of Appeals find
that enforcement of the terms of the Ordinance would result in undue hardship, and
desirable relief may be granted without substantially departing from the intent and
purpose of the Ordinance.

Arthur P. Girard
APPELLANT

DECISION

After public hearing held July 3, 1969, the Board of Appeals finds that
enforcement of the terms of the Ordinance would result in undue hardship and
desirable relief may be granted without substantially departing from the intent
and purpose of the Ordinance.

It is, therefore, determined that such permit may be issued.

Dear Mr. Girard:

Permit to construct a 1-story cinder block repair garage 75' x 40' at the above named location is not issuable under the Zoning Ordinance in the I-2 Industrial Zone in which this property is located for the following reasons:

1. The rear yard is only 5 feet instead of 12 feet required under Section 602.12c.4 of the Zoning Ordinance.
2. The side yards are only 5 feet instead of 12 feet for each side yard required by Section 602.12c.1 of the Zoning Ordinance.

We understand that you would like to exercise your appeal rights in this matter. Accordingly you or your authorized representative should come to this office in Room 113, City Hall to file the appeal on forms which are available here. A fee of \$5.00 shall be paid at this office at the time the appeal is filed.

Very truly yours,

Dear Mr. Girard:

July 3, 1969

CITY OF PORTLAND, MAINE
IN THE BOARD OF APPEALS

June 30, 1969

TO WHOM IT MAY CONCERN:

The Board of Appeals will hold a public hearing in the Council Chamber at City Hall, Portland, Maine on Thursday, July 3, 1969 at 4:00 p.m. to hear the appeal of Arthur Girard requesting an exception to the Zoning Ordinance to construct a one-story circular block repair garage 75' x 40' at 999-1003 Forest Avenue.

This permit is presently not issuable under the Zoning Ordinance in the I-2 Industrial Zone in which this property is located for the following reasons: (1) the rear yard is only 5 feet instead of 12 feet required under Section 602.12c.4 of the Ordinance; (2) the side yards are only 5 feet instead of 12 feet for each side yard required by Section 602.12c.1 of the Ordinance.

All persons interested either for or against this appeal will be heard at the above time and place.

Dear Mr. Girard:

An inspection of your partially completed concrete block repair garage at the above address reveals a spray painting booth has been partially installed without first securing a permit from this office.

It is necessary that the actual installer of this installation take out a permit (belatedly) for this installation, providing us with a detailed plan showing how it is to be vented.

Also bear in mind that a permit is needed for the installation of the heating system before starting same, this permit also to be taken out by the actual installer.

August 31, 1967

Dear Sir:

With relation to permit applied for to demolish a building or portion of building at #1003 Forest Ave. it is unlawful to commence demolition work until a permit has been issued from this department.

Section 6 of the Ordinance for rodent and vermin control provides: "It shall be unlawful to demolish any building or structure unless provision is made for rodent and vermin eradication. No permit for the demolition of a building or structure shall be issued by the Building Inspection Department until and unless provisions for rodent and vermin eradication have been carried out under supervision of a pest control operator registered with the Health Department.

The building permit for demolition cannot be issued until the provisions of this section have been satisfied. It is the obligation of owner or demolition contractor or both to take up with the Health Department the matter of complying with this section, being prepared to inform that department what registered pest control operator is to be employed.
