RE: 945 Forest Avenue

Dear Pat,

In reference to your request of allowable use at the above address, this property is within a B-2 business zone which does allow personal services and general business offices such as you would be using. Your area is taking over an existing office area which would not necessitate the need for a change of use.

If you have any other questions, please do not hesitate to contact me. I hope that my tardiness in your response has not resulted in any hardship to you.

Sincerely,

Marge Schmuckal
Zoning Administrator
