Good Afternoon Jeanie,

This email is in regards to BP.2014-02847 @ 1025 Forest Ave

I'm inquiring on if you need anything from us to move forward on issuing a Certificate of Occupancy. The state fire Marshall Micheal Minkowsky has approved our center as stated below along with his contact information. The certificate of occupancy is the final piece to attaining our License from DHHS.

Hello Mike and Benjamin,

Mike thanks for stopping by on Tuesday. Since then the smoke detector and CO2 devices have been installed which completes your request for corrections. Is there any remaining tasks or information we need to supply to the State Fire Marshall or the Portland Fire Department in order to move forward with the certificate of occupancy?
