Per your request I have outlined the overall current floor plan of unit F in the document (Unit F is shaded in green):

"135 Walton Street - Overall existing floor Plan"

I have outlined the proposed work of the 2 interior working areas for unit F located in the document (Unit F is shaded in green):

"135 Walton St Unit F proposed floor plan"

The details pertaining to the construction of the working areas in Unit F can be seen in the document:

"135 walton st unit F design"

Let me know if any of this is unclear, I can stop by today in person if more clarity is needed. My cell is 617.794.5309

Thanks,
Kevin Flaherty
