Attached is the interior demolition permit application and "fast-track" application for 772 Stevens Avenue, the former Armory. UNE would like to remove the interior non-bearing partitions in preparation for a future renovation. Anticipated interior demolition costs are estimated to be \$40,000 and application fee of \$388 will be filed electronically. Ledgewood Construction of South Portland will be providing the demolition services. Please let me know if you need any further information in regards to the demo permit application
