Subject: Re: Tent memos

hi mike -

the buddy walk was held last Sunday (sept. 24)... and that P&R permit is attached.

the kidney foundation walk is coming up Sunday, oct. 29... (i'm working on a p&r permit for them.. but that won't be issued until closer to mid-October)

however, they do have permission to use the preble street grass area.. and to setup a 20x30 tent (given inspections tent permit is issued)

i will interoffice you a copy of their park use application form.

the tents for the pres. inaguration... i have no information on this.. (it must be on private property - and not being held in a park)

the national anthem project takes place on monument square, Tuesday, oct. 3... and i'm working on their permit now.

i do have them using monument square... and they've got the ok from p&r to set up 2 (freestanding) tents at the square (given inspections tent permit application is approved).

i'll interoffice you a copy of their park use application form as well.

will the above work for processing your applications.....? thanks.
