1/14/02 - New Sign has been installed

a per specs. - Question on Setbacks -

Spoke w/ Marge Schmeckel she referred me

to Deb Andrews - Deb Andrews answer was

1- it is replacing existing (I pointed out the 1' off,

2- the new sign is still shorter than the  
main free standing sign & remains within  
the owners defensed property line (fence line)

so it is ok
