

The Park Danforth

Portland, ME 04103

Dear Ms. McGeachey,

This is to let you know that The Park Danforth has recently purchased the duplex property at 20-22 Arbor Street. Our primary reason for purchasing it is to clean up and beautify the Arbor Street entrance into both our parking lot, and that currently used by Goodwill. Our intention is to raze the building, and replace it with landscaping. We expect to make that area of property more appealing, and that you will be pleased with the result as well. The parking spaces you currently lease from us will not be affected.

As it is next door to your home, we wanted to let you know that we purchased it and what our near-term intentions are. We hope to raze the duplex building as soon as possible, and once we get a firm date we will let you know.

I hope this is helpful information. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Robert Moore, CFO
The Park Danforth
