Attn: Ms. Ann Machado
Zoning Officer

Portland, ME 04101
Delivery: Regular mail

Dear Ms. Machado,

Per my email, enclosed please find (1) one copy of the Building Permit #2011-01-221-SIGN dated January 25, 2011, (1) one photo of the existing Pylon Sign with scope of work, (1) one detail each of the 6' x 8' Panel and 3' x 8' LED price panel by Federal Heath and (1) one 3' x 8' CF face by Graphic Impact. Cumberland Farms was granted a permit to install a new 6' x 8' DP pylon Sign to the right hand side of their property, while the contractor was about to install the sign he realized there is an overhead electrical wire that would be in the way of the new Pylon Sign.

With that Cumberland Farms wishes to remove the existing 6' x 4' price sign installed on the light pole, remove the existing 6' x 8' CF panel and install a new 6' x 8' panel with – (1) 3' x 8' CF panel and (1) 3' x 8' LED price sign. They will maintain the existing pole, footing and location of the pylon sign. The contractor is still M & D Services, Inc., 5 B West View Road, Pittsfield, MA. An electrical permit will be obtained by a licensed electrician prior to the LED price panel installation.

Lastly, I have enclosed check # 1755 in the amount of \$30.00 for the fee to reissue the permit. Please review the enclosed Sign Permit package and if you find everything is in order please return the permit to me in the enclosed self-addressed envelope. If you have any questions please call me at (774) 239-2781. Thank you in advance for your time in helping to expedite this matter.

Sincerely,

Carolyn A. Parker
