Dear Sir or Madam:

We would like to renovate the current space at 1053 Forest Ave. The total space is 2000 +/- square feet. We are proposing to open a Chinese restaurant.

The space use to be a Blimpies restaurant. The layout for the dining area, bathrooms, back kitchen, and managers office will not be changed. The only change would be expanding an opening between the back kitchen and the open area behind the counter. We have enclosed a current plot plan of how the space looks today and a plot plan of the minor changes we would like to propose.

The work is to be done by Ronald W. Morris. His phone number is 892-8756, 329-2961 (cell).

Please contact me should you have any further questions at 871-9448 or 712-0738 (cell).

Thank you,

Jean & Bing Huang
