RE: Harmon's Clams

Per your request, let this letter serve as our certification for completion of the installation on a 4 gallon Range Guard wet chemical fire suppression system at Harmon's Clams, located at 165 Read Street in Portland, Maine.

At time of install a puff test was performed and passed.

Installation of the system was done in accordance with NFPA Standards and guidelines, meet all UL-300 codes.

This system is scheduled for bi-annual inspections: March & September.

If you have any further questions or require additional information, please feel free to call at 800-538-FIRE (3473).

Sincerely,

  
Eileen Lord  
Associate
