RE: 9 University Street - R-5 Zone - 151-C-3 & 4

Dear Mr. Cragin,

Per your telephone request, please find enclosed copies of our ordinance related to the raising of domestic animals. You are located in an R-5 residential zone which prohibits that use because it is not expressly enumerated as either a permitted use or conditional use. In comparison, the R-1 residential zone, in which you are not located, does allow under its conditional uses with certain specific criteria, the raising of domestic animals for noncommercial purposes.

Just to reiterate, the raising of duck(s) is not allowed in the R-5 residential zone. Any such illegal use shall be discontinued as soon as possible.

Very Truly Yours,

Marge Schmuckal  
Zoning Administrator/  
Asst. Chief of Insp. Services
