Gees, the DEP gives the changes glowing reviews. I'm good with it. I'll see Jeff right now to get him to respond.

Jeff and David,

Do you have any concerns about this? Jeff, they haven't defined plant types. Do you want more detail?

David/Jeff,

I'm forwarding an amendment to an approved Level I site plan for a 2013 slope stabilization project at Back Cove Estates. (I'm not sure whether you guys remember it? I'm attaching the approval letter and the final plans so you can see what was originally reviewed. It seems like this amendment represents a better direction.)

Can you guys take a look and let me know if you have any comments when you have a chance?

Thanks for your help.

Nell
