Please see attached for the 20x20 tent and band riser for this weekend's Walk event at Payson Park.

I think I completed the app correctly. I am also attaching the order from Maine Bay Canvas who will be setting up the tent.

Please review the attached for information regarding how the process works. And yes, you need to fill out a tent permit.

Hi Brad,

We will be having a 20x20 tent and small riser for the Liver Life Walk on 6/22. See attached for the order we're organizing with Maine Bay Canvas. There will also be a handful (6?) of 10x10 pop-up canopies.

Are there forms that I need to complete for the permit?

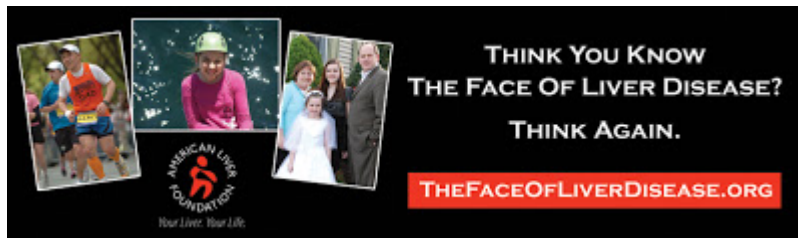

Thanks,
