Dear Mr. Goldman:

This is a follow-up letter to our telephone calls to you in May and on June 9, 1999. We had called to inform you that the permit fee for your plumbing permit at the above-mentioned address was \$32 yet your check was made out for \$25. Since we have not received a response to our telephone calls we are enclosing your unissued permit and your check. If you wish to cut a new check for the proper amount, please send the new check with the enclosed plumbing permit back to our office.

If you have any questions or concerns please feel free to call me at 874-8701.

Sincerely,

Nadine Williamson
Office Manager
