Dear Ms. Lopez:

Thank you for your letter dated February 27th, 2013 requesting an extension of the approval for a building addition and site improvements to the existing convenience store and the gas station located at 801 Washington Avenue. I understand that your request is based on the fact that the additional time is 'required for consideration of the proposed Site Amendment [revision of the façade design] and the procurement of the building permit'.

In my capacity as Interim Planning Division Director for the City of Portland and under the provision of Section 14-532 (c) Expiration of site plan approval, I am granting your request to extend your approval to April 24th, 2014. If you have any questions, please contact Shukria Wiar at 756-8083 or via shukriaw@portlandmaine.gov

Sincerely,
