APPLICATION FOR HOME OCCUPATION PERMIT

Zoning Administrator  
Department of Urban Development  
City of Portland  
389 Congress Street  
Portland ME 04101

February 04, 2004

Dear Zoning Administrator,

I am requesting a permit to allow me the use of my residence at 65 Inverness Street for a home occupation. I intend to serve as an auto exporter using space from my home office to conduct purchases and making arrangement for exporting used automobiles.

The following is an explanation of how my home occupation meets the criteria of the Portland zoning Ordinance.

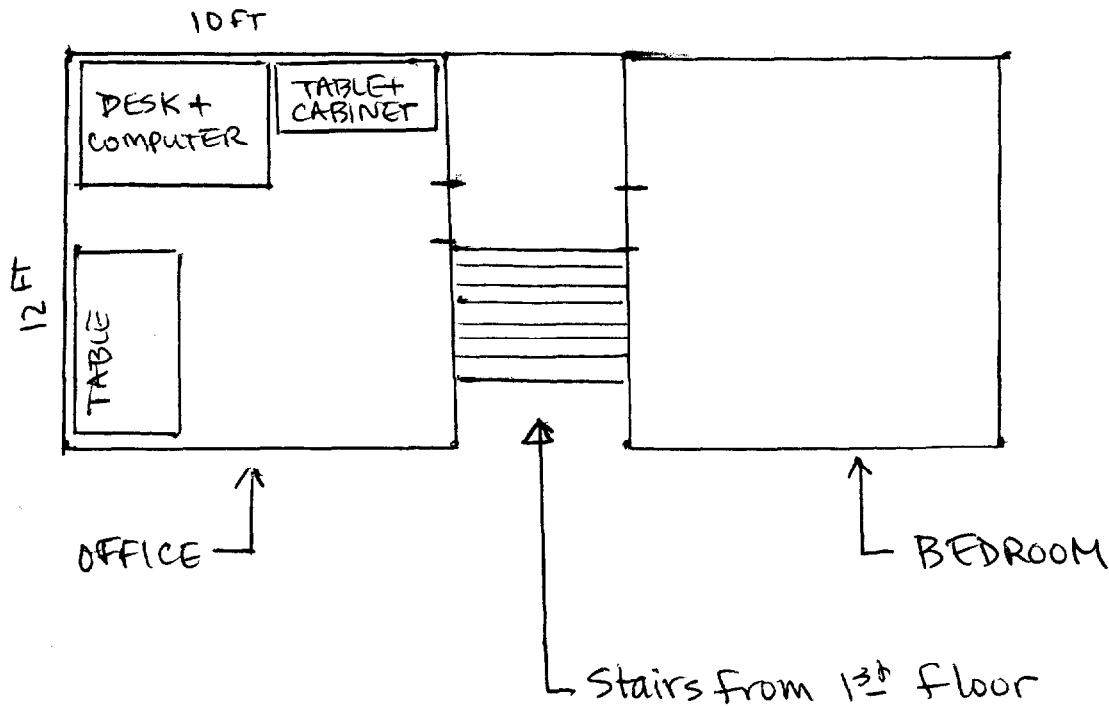

- a- My home occupation will occupy approximately 120 square feet (16%) of floor area of the residence
- b- No goods (automobiles) will be stored, displayed, or visible from outside the residence
- c- There will be no customer/ visitor will come to my residence, no additional parking is necessary. No additional traffic will be generated from by my home
- d- There will be no external signage related to my home occupation
- e- No exterior alterations to the residence are necessary
- f- No objectionable effects will result from my home occupation
- g- I will not require the services of any employees
- h- No vehicles even nearing a gross weight of 6,000 pounds are necessary for my home occupation

As you can see, my home occupation is a secondary and incidental use of my residence. The external activity level and impact is negligible and in keeping with the residential character of the neighborhood.

Attached you will find a copy of a floor plan showing the dimensions and areas of the home occupation space. Thank you for your assistance in this matter.

Sareth Koch, homeowner
