Hi Catherine,
thank you for getting your application in within a timely manner. There may have been a misunderstanding about the setbacks. Yes, the side setback is allowed to be 8 feet. But the front along Anthony is required to be 25 feet, not the 8 feet allowed on the side. Is it possible to revise your plans to show the required 25 feet along Anthony Avenue? You can e-mail the revised plans to me.

I have to put your permit on hold in the mean time.
Thank you,
Marge Schmuckal
