Dear Inspector LaFlamme:

I am a licensed electrician in the State of Maine. I completed the electrical work on the property located at 325 Stevens Avenue. All the work adheres to the 2014 NEC.

The work completed includes:

- Gutting old knob & tube, armored cable, and 2-wire romex where accessible.
- Rough-in for the first floor bath and kitchen, master bath and laundry.
- Smoke detector rough-in on all floors and bedrooms.

If you have any question, problems or concerns, please feel free to contact me.

Thank you for you attention on this matter.

Sincerely,

Anthony J DiPietro  
Electrical Contractor
