#### **BUILDING PERMIT INSPECTION PROCEDURES**

Please call 874-8703 or 874-8693 (ONLY)

or email: buildinginspections@portlandmaine.gov

With the issuance of this permit, the owner, builder or their designee is required to provide adequate notice to the city of Portland Inspections Services for the following inspections. Appointments must be requested 48 to 72 hours in advance of the required inspection. The inspection date will need to be confirmed by this office.

- Please read the conditions of approval that is attached to this permit!! Contact this office if you have any questions.
- Permits expire in 6 months. If the project is not started or ceases for 6 months.
- If the inspection requirements are not followed as stated below additional fees may be incurred due to the issuance of a "Stop Work Order" and subsequent release to continue.
- 1. Certificate of occupancy inspection required.

The project cannot move to the next phase prior to the required inspection and approval to continue, REGARDLESS OF THE NOTICE OF CIRCUMSTANCES.

IF THE PERMIT REQUIRES A CERTIFICATE OF OCCUPANCY, IT MUST BE PAID FOR AND ISSUED TO THE OWNER OR DESIGNEE BEFORE THE SPACE MAY BE OCCUPIED.

MAR 1 8 2011

Director of Planning and Urban Development Penny St. Louis

City of Portland

Job ID: <u>2011-03-549-ALTR</u> Located At: <u>408 WOODFORD</u> CBL: <u>176 - - F - 012 - 001 - - - - -</u>

#### **Conditions of Approval:**

#### **Zoning**

- 1. This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.
- 2. This property shall remain a single family dwelling with the issuance of this permit and subsequent issuance of a certificate of occupancy. Any change of use shall require a separate permit application for review and approval.
- 3. Separate permits shall be required for future decks, sheds, pools, and/or garages.
- 4. The change of use from a two residential unit to a single family dwelling will extinguish all legal nonconforming rights for the two family. Any future permit shall meet all the requirements of the underlying zone.
- 5. All second unit kitchen facilities shall be removed in full with plumbing to be taken back to behind the wall or floor as appropriate. All electrical outlets for a stove and/or refrigerator shall be removed in full.

#### **Building**

This is a Change of Use ONLY permit. It does NOT authorize any construction activities.

Vincent M. Connolly

### Residential Additions/Alterations Permit Application Checklist

All of the following information is required and must be submitted. Checking off each item as you prepare your application package will ensure your package is complete and will help to expedite the permitting process.

The Maine Home Construction Contracts Act requires that any home construction or repair work for more than \$3000. in materials or labor must be based on a written contract unless the parties agree to exempt themselves. A sample contract is available on the City's website at <a href="https://www.portlandmaine.gov">www.portlandmaine.gov</a>, in the Inspection Office, Room 315 of Portland City Hall or call (207)874-8703 to have one mailed to you.

#### One (1) complete set of construction drawings must include:

	Cross sections w/ framing details
	Floor plans and elevations existing & proposed
	Detail removal of all partitions & any new structural beams
	Detail any new walls or permanent partitions
	Stair details including dimensions of: rise/run, head room, guards/handrails, baluster spacing
	Window and door schedules
	Foundation plans w/required drainage and damp proofing (if applicable)
	Detail egress requirements and fire separation/sound transmission ratings (if applicable)
	Insulation R-factors of walls, ceilings & floors & U-factors of windows per the IEEC 2003
	Deck construction including: pier layout, framing, fastenings, guards, stair dimensions
	Reduced plans or electronic files in pdf format are also required if original plans are larger than 11" x 17"
	Proof of ownership is required if it is inconsistent with the assessors records
If ther	ate permits are required for internal & external plumbing, HVAC, and electrical installations.  re are any additions to the footprint or volume of the structure, any new or rebuilt  ures or, accessory detached structures a plot plan is required. A plot must include:
	The shape and dimension of the lot, footprint of the existing and proposed structure and the distance from the actual property lines. Structures include decks, porches; bow windows, cantilever sections and roof overhangs, sheds, pools, garages and any other accessory structures must be shown with dimensions if not to scale.  Location and dimensions of parking areas and driveways
	A change of use may require a site plan exemption application to be filed.

Permit Fee: \$30.00 for the first \$1000.00 construction cost, \$10.00 per additional \$1000.00 cost

In order to be sure the City fully understands the full scope of the project, the Planning and Development

Department may request additional information prior to the issuance of a permit. For further information visit us on-line at <a href="https://www.portlandmaine.gov">www.portlandmaine.gov</a>, stop by the Building Inspections office, room 315 City Hall or call 874-8703.

This is not a Permit; you may not commence any work until the Permit is issued.
