Ann. As per our conversation the awning on the back of 428 Brighton ave will not have any logo or graphics on it. It will be blank . Thank you. Joe McGonigal

Joe -

I received the revised sign plan for the new sign over the front entrance. It does meet the square footage requirement for the existing legally nonconforming sign.

The last thing I need from you to be able to sign off on the permit for zoning is an email stating that the awning will not have any signage on it.

Thanks.

Ann
