---

Hi Brad,

I discussed previously with the contractor Dave Dardano and then he called me when it was rejected. You made the right call, however, based on the scope of work, I will allow this individual project to be fast track eligible.

The new rear door is opening onto an existing deck with steps.

Thanks

Jeanie

This project is a single family home renovation with new exterior door and window construction. Would you consider this fast trackable? I have had communications with the applicant and he would like to pursue fast track-ability of this permit application.

-Brad.

 HUD Settlement Statement to show proof of owner...

Attached please find the documents requested to obtain a building permit for 153 Stevens Avenue Portland, Maine. I closed on this property 11/10/15, so I am sending a Settlement Hud Statement to show my ownership. Deeds are currently being recorded at the Registry of Deeds. If you have any questions, please contact David Dardano at 207-831-2137 or David@Dardano.us.

Thank you for your attention to this matter.

David Dardano
