August 3,2004

Zoning Administrator
Department of Urban Development
City of Portland
389 Congress Street
Portland, Maine 04101

Dear Zoning Administrator,

I am requesting a permit to allow me to use my residence at 83 Madeline Street for a home occupation. I am a professional consultant, an acceptable home occupation listed under item (b) of Section 14-410 of the Portland Zoning Ordinance. The following is an explanation of how my home occupation meets the criteria listed under item (a) of the same:

- 1. My home office will occupy approximately 64 square feet **(4%)** of the floor area of the residence;
- 2. No goods will be stored, displayed, or otherwise visible from outside the residence;
- 3. Storage of the materials necessary to perform my occupation is minimal and is included in the 64 square feet of floor space mentioned above;
- 4. There will be no external signage related to my home occupation;
- **5.** External alterations to the residence shall be compatible with the architecture of the building and maintain its residential appearance in all respects;
- **6.** Since I will not be meeting clients at my residence, no additional parking is necessary;
- 7. No objectionable effects will result from my home occupation;
- **8.** I will not require the services of any employees;
- **9.** Since I will not be meeting clients at my residence, no additional traffic will be generated by my home occupation;
- 10. No vehicles even nearing a gross vehicle weight of 6,000 points are necessary for my home occupation.

As you can see, my home occupation is a secondary an incidental use of my residence. The external activity level and impact are negligible and in keeping with the residential character of the neighborhood.

I have attached a copy of the floor plan showing the dimensions and area of the home occupation space. Thank you for your assistance in this matter.

Sincerely,

Naomi Mermin
