To whom it may concern,

The building is a two unit at 60 Mabel st. We are remodeling 2 existing bathrooms and 2 existing kitchens. No walls are being removed and the layout of fixtures will be staying the same as it is now. All plumbing and electrical will be brought to code as needed.

A project description is a requirement. We need to know what your intensions are. We can't do anything with the actual application as it is. Please send back and we will forward you a confirmation e-mail when it is entered.
