RE: 62 Rosemont Ave.(181-F-012)

Dear Mr. O'Donnell,

Please find attached a copy of the letter sent on 7/29/97( I had mailed this to you previously).

This is the only letter in file pertaining to the water issue from that time. Kevin Carroll advises that this was the limit of his involvement in your case. He turned it over to Amy Powers who is no longer employed by this office. He is not familiar with Mike Varney and has not generated any correspondence with regard to insurance issues. Mike Collins advises that he did not generate any correspondence on this matter.

Please advise if there is anything further that the City can do to assist you.

Sincerely,

Mike Nugent  
Manager of Inspection Services

It has been over a month since I requested from your office the copies of all the violations since the fire of 1996. Kevin Carroll at that time reported Mike Varney to the Bureau Of insurance for a conflict of interest. I requested a copy of this letter. I did receive from your office the copy of the unlivability certificate, but not the livability certificate from 9/22/97. I requested from Mike Collins the copies of the electrical violations and the copies of the his letters. He has not responded as of this date, although we have made numerous calls to his office.

We have been homeowners and taxpayers since approx. 7/22/40. Please respond immediately since we need this for the Ins. Co.

Sincerely

Myles L.O'Donnell
