

9/16/03 Site visit, can not locate pins, can not pour deck footings. will get back w/ time.

Shows maybe 9' according to fence they are erecting w/ neighbor, NO documentation to verify/gu

~~9/29/03 - checked setbacks -~~
~~Setbacks~~

9/29/03 - need Railing system on Bottom 3 steps into yard - more than 15 1/2 inches from grade - last step at 9-10 inch rise - will come back when final Handrail is graspable in my estimation. TOM M

10/29/03 - checked railing - now below 15 1/2 inches grade - no rail system needed - last step at 7 1/2 inch rise OK - OIC to close out - TOM M
