

CITY OF PORTLAND, MAINE
MEMORANDUM

TO: Nadine Daniels

DATE: July 10, 1990

FROM: William Giroux, Zoning Codes Enforcement Officer WDA

SUBJECT: Unity Church of Truth, Columbia Road.

I have met with Audrey McGinnis, Administrator of the Unity Church of Truth on Columbia Road. It appears that there may have been an increase in the use of this facility without the required approvals. At our meeting on 7/9/90, it was agreed that the church would apply, in the near future, for a Conditional Use Permit. This application will be reviewed by the Planning Board and possibly the Board of Appeals.

It is my hope that such reviews will satisfy those concerned about the impact on the surrounding neighborhood.
