RE: 49-51 Bolton Street

Dear Mr. O' Donovan,

Upon a reinspection at the above mentioned property, on 9/18/97, the **24 HOUR** electrical violations and unsafe conditions were satisfactorily completed. Compliance has been met for the basement area and the main service.

Thank you for your cooperation to make the building safe and habitable.

Sincerely

Michael A. Collins  
Chief Electrical Inspector  
City of Portland
