Francis Connolly
183 Whitney Avenue

Dear Mr. Connolly:

Permit to construct 10' dormer on the right hand side of dwelling at the above named location and to finish off two rooms on the third floor is being issued subject to plans received with the application and in compliance with the Building Code restrictions.

A permit is required by the actual installer to construct the metal fire escape from the third floor to the ground on the rear of this dwelling.

Very truly yours,

A. Allen Smith
Deputy Director of
Building Inspection
