Subject: Meter info

Good Morning Paul,

I have reviewed the meter installation dates of 183 Whitney Street. I have information that the meter there was installed 6/5/67. It could have been earlier than that back those records are no longer available.

At 185 Whitney Avenue the service start date was 9/30/85. Again the original meter could have been installed much earlier however this is the information I had at hand.

I hope this information answers your questions.

This is precisely what we are looking for I believe. Doesn't that mean the 3rd unit is 185 Whitney and it's installed prior to 1995.
