Dept. of Building Inspections
City of Portland Maine

To Whom It May Concern:

We are writing to object to the permit application submitted by the owners of 183 Whitney Avenue. Many of the homes in the vicinity are single-family homes and we believe legalizing additional dwelling units will negatively impact our neighborhood and property values.

Specifically, we are concerned that approval could cause increased congestion, traffic, trash, and noise; we are also concerned that the condition and appearance of the building and surrounding property could suffer. Over time, the combination of these factors could lead to decreased property values and the loss of homeowners and families in the neighborhood.

Please reject the permit application in order to help preserve what is currently a quiet, safe, family-friendly neighborhood.

Sincerely,

Jason R. Maher, PhD
