John Gordon  
86 Edwards Street  
Portland, ME 04102

Dear John:

We are applying for a demolition permit from the City of Portland so we can tear down the shed in our backyard. The permitting process requires that we provide written notice of our intentions to all property owners of lots that abut ours. If we receive the permit we have a contractor who will tear down the shed and take care of removing all of the debris from our property. Subject to the approval of our permit, the demolition is likely to occur in early to mid-November.

If you have any questions about the demolition please feel free to call or e-mail Catherine Morrison. Telephone: 717-917-0115, e-mail: [cmorrison@createagreement.com](mailto:cmorrison@createagreement.com).

Sincerely,

Catherine Morrison & Charles Tandy
