Note: R-3 zone (with small corner in R-P) Removal only - no increase in footprint		Ok to Issue: <input checked="" type="checkbox"/>		
Conditions:				
1) This property shall remain a single family dwelling. Any change of use shall require a separate permit application for review and approval.				
2) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.				
Dept: Building Inspecti		Status: Approved w/Conditions	Reviewer: Doug Morin	Approval Date: 09/22/2016
Note:		Ok to Issue: <input checked="" type="checkbox"/>		
Conditions:				
1) Wiring installations for this project or occupancy shall comply with the 2014 National Electric Code. Existing conditions for new occupancies will be required to be upgraded to prescribed standards. Loading calculations may need to be provided prior to any electrical installations. Please contact the City electrical inspectors with any questions.				
2) Separate permits are required for any electrical, plumbing, sprinkler, fire alarm, HVAC systems, heating appliances, including pellet/wood stoves, commercial hood exhaust systems, fire suppression and fuel tanks. Separate plans may need to be submitted for approval as a part of this process.				
3) Carbon Monoxide (CO) alarms shall be installed in each area within or giving access to sleeping rooms. That detection must be powered by the electrical service (plug-in or hardwired) in the building and battery.				
4) Hardwired photoelectric interconnected battery backup smoke detectors shall be installed in all sleeping rooms, protecting outside these rooms, and on every level.				
The same is required for existing buildings, where permanent wiring is feasible; or at the very least battery operated smoke detectors are required. Verification of this will be upon inspection.				
5) This permit is approved based upon information provided by the applicant or design professional. Any deviation from the final approved plans requires separate review and approval prior to work.
