RE: **US Cellular Building Permit Applications for Cabinet installs.**

Dear Ms. Schmuckal:

Per your conversation with my associate Bob Gashlin; I am submitting 9 copies of building permit applications for five (5) US Cellular sites.

The Applicant proposes to install one (1) 52" x 28" Cabinet and associated equipment on its existing platform on five (5) locations thru-out Portland. All equipment at each site will be placed within US Cellular's leased area on existing platform.

I am also enclosing a check in the amount of \$60.00 for each Application to cover the building permit fee.

Once reviewed / approved – could you please mail BP to:

Peter Marchant
