

Accessibility Building Code Certificate

Designer: David Webster

Address of Project: 33 Sewall Street

Nature of Project: Replacement of MRI magnet and addition of smaller MRI magnet driving renovations and subsequent minor expansion to accommodate magnet rooms, equipment and programmatic elements required for the department's operations; including improved privacy, patient changing and consultation areas, acoustical separations, and adequate staff and administrative areas.

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
