Hello Michael,

I hope that this message finds you doing well.

I live at 10 Willow Lane, Portland, Maine , and I have an ongoing issue with the abutting landowner, STJ, Inc, at 73 Powsland Street, Portland.

These properties are in shore land zoning, and RPZ. STJ, Inc owns Gorham Sand and Gravel, and they keep going to this site without any permits to disturb this area. They are right now/today pumping water from CMPs property over the railroad bed into the city of Portland marsh.

Please help me with resolving this ongoing issue of ten years.

Thank you,
Dale Holman
