

Vitodens 100 - The perfect mix of performance, quality and value

The benefits at a glance

- Fits any home and budget with high performance at an attractive price.
- Exceeds Energy Star® efficiency requirements.
- Low-emission combustion with fully-modulating Viessmann stainless steel Matrix cylinder burner for natural gas or propane.
- Versatile on-board Viessmann boiler control interfaces with most external controls; integrated OpenTherm® communication ability; energy-saving outdoor temperature sensor standard.
- Greater venting flexibility with vent length up to 200' and multiple venting options; new rigid and flexible PP(s) vent options.
- Suitable for altitude levels of up to 10,000 ft. / 3,000 m.
- Easy installation and service with pipe connections located at the bottom and serviceable components accessible from the front.
- Extremely quiet operation; quieter than most refrigerators.
- Easy expansion with **CombiPLUS Kit** for energy-saving, on-demand DHW.

Limited

Lifetime warranty
